

On August 8, 2014, the Court granted the motion and ordered the Board to complete its findings on the supplemented record within 120 days, and that the Board shall make a good faith effort to complete the remand sooner.

By Order dated August 20, 2014, I was designated as the presiding commissioner to establish and modify schedules, decide all motions, and otherwise control the conduct of this case, without the need for full Board approval, subject to subsequent Board ratification.

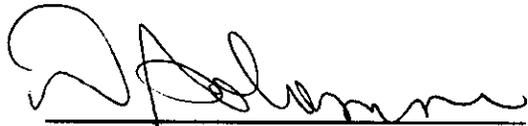

On August 19, 2014, Board Staff proposed the following procedural schedule to the parties.

August 22, 2014	Discovery on FACW's Supplemental Record
September 2, 2014	FACW's response to discovery on FACW's Supplemental Record
September 5, 2014	Initial Brief of FACW on how FACW's Supplemental Record materially changes the financial analysis of the application.
September 19, 2014	Response to FACW's Initial Brief
September 26, 2014	FACW's Reply Brief
November 21, 2014	Anticipated BPU Agenda

No party is proposing rebuttal testimony regarding FACW's Supplemental Record, Pa1-Pa11. Additionally, FACW consents to the proposed agenda but notes that if it is impracticable to respond to the discovery requests within two weeks, it will notify the parties if an amendment to the schedule is necessary. The Division of Rate Counsel, Rockland Electric Company, and Public Service Electric & Gas Company consent to the proposed schedule. Jersey Central Power & Light Company notes that it has no comments to the proposed schedule. Atlantic City Electric Company notes that it has no comments or objections to the proposed schedule.

Having considered each party's position and response to the proposed schedule, I encourage the parties to make a good faith effort to complete the process at the earliest possible date. I HEREBY ADOPT the above listed schedule and HEREBY ISSUE this prehearing Order. This provisional ruling is subject to ratification or other alteration by the Board as it deems appropriate during the proceedings in this matter.
