## New Jersey Clean Construction Program POST INSTALLATION VERIFICATION FORM - REPLACEMENTS

I hereby certify:

1. That the equipment identified below has been replaced by the equipment supplier as per their previously-approved quote.
2. That the old equipment has been scrapped, rendering it unusable (attach photographic proof).
3. The new equipment will be kept in a well maintained condition and tuned according to the recommendations by the equipment manufacturer.
4. The piece of equipment will not idle for more than 3 minutes.
5. The piece of equipment must always use Ultra Low Sulfur Diesel (ULSD) fuel.
6. That all of the above conditions will be followed. Any deviation will be considered a breach in the agreement and all monies spent on the purchase of the equipment may have to be returned to NJDEP.

I understand that my equipment is subject to inspection to verify that the old equipment has been properly scrapped, and that the new equipment is operating properly.
