

What Can be Expected from English Language Learners (ELLs) on the NJASK?

The chart below shows the percentage of students at grade clusters 3-5 and 6-8 attaining proficiency on the NJASK Language Arts Literacy section (English and Spanish) at ACCESS for ELLs test proficiency levels ranging from 2.0 to 6.0*. This data may assist districts as they analyze the scores of ELLs at various proficiency levels.

*Based on the 2011 NJASK LAL test results and the 2011 ACCESS for ELLs test results.

This column shows the percentage of New Jersey ELLs that score proficient on the NJASK Language Arts section.

This row shows the ACCESS for ELLs test English language proficiency levels for New Jersey ELLs.
