

# STUDENTS WITH DISABILITIES CERTIFICATE OF ELIGIBILITY WITH ADVANCED STANDING (ENDORSEMENT CODE: 2475)

Please print this page before you apply.

This endorsement authorizes the holder to teach students classified with disabilities to one of the designated populations as per the teachers' content and/or grade level endorsements authorize. They may also provide consultative services and supportive resource programs including modification and adaptation of curriculum and instruction to students with disabilities in general education programs in grades preschool through 12.

## In order to be eligible for the Certificate of Eligibility with Advanced Standing (CEAS), you will need to meet the following:

### Instructional Certification

- The Students with Disabilities certificate is not a standalone certificate. You need to hold a CE, CEAS, or standard NJ instructional certificate with an endorsement appropriate to the subject or grade level to be taught. If you have not yet applied for instructional certification, please see the NJ DOE website for details and a listing of instructional endorsements.

### Cumulative GPA Requirement

- New Jersey requires that candidates for certification achieve a cumulative **GPA of at least 3.0 when a GPA of 4.00** equals an A grade for students graduating on or after **September 1, 2016 (2.75 for those graduating before September 1, 2016)** in a baccalaureate degree program, higher degree program or a State-approved post-baccalaureate certification program with a minimum of 13 semester-hour credits. Please note that a high praxis test score may offset a GPA that is lower than 3.0 but higher than 2.75. Click on the following link for more details: <http://www.nj.gov/education/educators/license/gpa.htm>

### Professional Teacher Preparation in Students with Disabilities

- Current regulations for certification require that applicants complete a coherent sequence of study in professional education which may be completed in a provisional teacher program or an approved teacher preparation program. This is to advise that courses presented by the applicant in professional education must be a coherent sequence of courses that culminates in supervised student teaching.
