4/25/2012	***Education Under Fire*** focused on the crisis of the Baha'is in Iran, who are being denied access to education because of their religious beliefs. Since May 2011, there has been an escalating campaign against the Baha'i, subjecting them to systematic persecution, including arrest, torture and execution. The program addressed the Iranian government's denial of the right to education for ideological and religious reasons, encourages action to mitigate the effects of these policies in Iran, and raises awareness of the importance of defining the *Universal Declaration of Human Rights*, which guarantees education as an inalienable right of every human being.	18	9	0	32

5/21-5/22/12	*Chhange* once again welcomed seventh grade students from Cedar Drive Middle School in Colts Neck to a ***Lunch With A Survivor***. On each of the two days, each group of 8 students sat with a Holocaust survivor for lunch and had the unique opportunity to hear their testimony, ask questions and then take a pledge to serve as a witness for the future. After greetings from Dr. Paul Winkler, Executive Director of the New Jersey Commission on Holocaust Education, the group listened to a fellow student share her experience with antisemitism at their school. This was the catalyst for choosing this school to take part in the program. There was intense discussion and emotion, tears and hugs. It was a most heartwarming and successful day. Sponsorship of this event came from the NJ Commission on Holocaust Education through a grant from Murray Laulicht and family.	180	28	24	0
