**Request for Application
for Local Health Departments for Reimbursement
of the Inspection of Indoor Tanning Facilities**

The New Jersey Department of the Health and Senior Services, Consumer and Environmental Health Service is accepting applications for reimbursement grants from local health departments for the inspection of licensed tanning facilities. Reimbursement will be made upon submission of a Signature Page Acknowledging Receipt of Grant Agreement for Special Health Projects (PHSS-4) and a completed State of New Jersey Payment Voucher (PHSS-5) which will list all the facilities inspected. Local Health Departments will be reimbursed \$200.00 for each registered tanning facility inspected in their jurisdiction with up to 10 sunlamp products and \$10.00 for each additional sunlamp product at the facility.

Reimbursement will be made on a quarterly basis.

All reimbursements are dependent upon availability of funding.

Any questions regarding the application process should be addressed to the New Jersey Department of Health and Senior Services, Consumer and Environmental Health Service, [Public Health Sanitation and Safety Program](#), at 609-588-3124.
