NEW JERSEY DIVISION OF HIGHWAY TRAFFIC SAFETY

OVER THE LIMIT, UNDER ARREST STATEWIDE CRACKDOWN • AUGUST 17- SEPTEMBER 3, 2007

2007 OVER THE LIMIT, UNDER ARREST CRACKDOWN

Despite three decades of concerted activity by the New Jersey Division of Highway Traffic Safety (NJDHTS), the state's law enforcement community, and other traffic safety agencies, New Jersey's roads continue to be plagued by impaired drivers. In 2006 (the last full year for which data is available), there were 240 alcohol-related fatalities in the state, 31% of all motor vehicle-related deaths.

From August 17 – September 3, 2007, NJDHTS participated in the national "Over the Limit, Under Arrest" impaired driving crackdown. New Jersey had taken part in this campaign in previous years, but 2007 marked the first year that NJDHTS adopted the national, "Over the Limit, Under Arrest" slogan. The goal of the crackdown was to raise public awareness about the dangers of impaired driving, through a combination of stepped up enforcement and media activities.

The Division invited the 492 police agencies in New Jersey to participate in the campaign, with the goal of 100% participation, similar to what was achieved during the May, 2007 "Click It or Ticket" campaign. For the "Over the Limit, Under Arrest" crackdown, NJDHTS was able to provide \$5,000 in overtime grant funding to 186 police departments. The remaining agencies were asked to support the crackdown with their own resources.

In addition to the enforcement effort, NJDHTS also utilized the earned media to deliver the "Over the Limit, Under Arrest" message. A statewide press release was issued on August 17, in conjunction with a press event in Toms River led by New Jersey's Attorney General. Police department grantees were also asked to engage their local media, resulting in strong newspaper and radio coverage around the state.

THE RESULTS

The "Over the Limit, Under Arrest" 2007 statewide crackdown resulted in 1,655 DUI arrests. In addition, the participating police agencies issued 6,966 and 3,762 speeding and seat belt summonses respectively. The crackdown focused on impaired driving, but as with all statewide traffic safety initiatives, motorists were again reminded of the state's commitment to proper restraint and obeying posted speed limits.

Police agency participation in the crackdown reached an all-time high, with 473 agencies taking part, compared to 391 in 2006 (100% participation was achieved within the 14 counties comprising the NJDHTS' South and North regions). Many agencies reported noteworthy accomplishments during the crackdown. Seven agencies reported making more than 20 DUI arrests during the two-week campaign, a testament to the fact that these statewide initiatives help to remove unsafe drivers from the road.
