EXECUTIVE SUMMARY

The Drunk Driving Enforcement Fund was established by N.J.S.A. 39:4-50.8. By Reorganization Plan 004-1992, effective January 29, 1993, the New Jersey Division of Highway Traffic Safety (DHTS) became responsible for the administration of the Drunk Driving Enforcement Fund on behalf of the Attorney General. Previously, the Division of Motor Vehicles - now the New Jersey Motor Vehicle Commission - had been responsible for the administration of the fund.

The Drunk Driving Enforcement Fund law became effective on February 9, 1984. During the ensuing years violators of New Jersey's drunk driving laws have remitted tens-of-millions of dollars in surcharge fines that have been returned to those law enforcement agencies responsible for their apprehension. These funds have enabled New Jersey's law enforcement community the opportunity to utilize additional DWI patrols as well as the ability to purchase needed equipment and supplies to apprehend drunk and impaired drivers.

In FY 2005, the fund collected \$2.50 million dollars in surcharge fines and \$1.1 million dollars in bottle tax revenue. When compared to FY 2004 the total surcharge fines collected increased 7% (\$2.622 vs. \$2.50). A total of 536 law enforcement agencies received an application for these funds. During the application period 360 recipients claimed their surcharge funds prior to the March 31, 2006 closing date. The total funding claimed for FY 2005 resulted in a 2.8% increase when compared to FY 2004 (\$2.622 vs. \$2.55) and 30.6% over FY 2003 (\$2.622 vs. \$2.0 million).

In 2005 there were 29,151 driving under the influence arrests made resulting in an increase of 1.6%. In comparison driving under the influence arrests in 2004 were 28,692. In 2005, males accounted for 23,484, females 5,261 and minors were 406. In 2004, males accounted for 23,177 arrests, females 5,134 and minors 381. For the third consecutive year the largest increase by category was minors with an increase of 6.6%.

The following sections of the report provide further information about the purpose, application process, permissible expenditures, budgeting responsibility, reporting and monitoring, funding and administrative expenditures.

PURPOSE

Upon conviction of a violation of N.J.S.A. 39:4-50 (driving while intoxicated) or 39:4-50.2 (refusal to submit to a breathalyzer) the defendant is ordered to pay the court a surcharge of \$100. (**The standards for determining a violation of the State's law establishing a driver's deemed consent to breathtesting, N.J.S.A. 39:4-50.2, are set forth at N.J.S.A. 4:50.4a.**) The New Jersey Department of Treasury, Revenue Section receives the DDEF surcharge on behalf of the New Jersey Motor Vehicle Commission, which has replaced the Division of Motor Vehicles as the State's motor vehicle agency. \$95 will be deposited into the Drunk Driving Enforcement Fund and the remaining \$5 of each surcharge shall be deposited into a separate fund for administrative expenses. A total of \$4 is retained by the New Jersey Division of Highway Traffic Safety and \$1 is retained by the Division of Revenue at the Department of Treasury who maintains the funds for DHTS. The funds shall be used to maintain the enforcement of N.J.S.A. 39:4-50. The Division of State Police, interstate or county law enforcement agencies or municipalities shall use grants from the DDEF to subsidize additional law enforcement patrols and for other measures approved by the Director of the Division of Highway Traffic Safety in support of those objectives in accordance with N.J.A.C. 13:86-2.3.

Surcharge funds collected during the State of New Jersey Fiscal Year (July 1 - June 30) are credited to the municipality in which the violation occurred when the municipal police officer is responsible for the arrest resulting in a conviction or to the State, county, or interstate law enforcement agency responsible for the arrest resulting in a conviction. Each agency or municipality who receives funding from the Drunk Driving Enforcement Fund also qualifies to receive a portion of the New Jersey Bottle Tax funds allocated to the DDEF. (**See page 4**) Historically, the bottle tax is \$1.1 million dollars plus any earned interest while the funds are in the New Jersey Cash Management Fund. No later than October 1st of each year the Division of Highway Traffic Safety will prepare and mail applications to those agencies or municipalities who have accumulated DDEF funds. The potential grantee has until March 31st to submit an application for payment.

APPLICATION PROCESS

In September of each year applications are mailed to every agency or municipality who has accumulated surcharge fines and bottle tax revenue. A completed application must be returned to the Division of Highway Traffic Safety no later than March 31st of the following year. The completed application requires the following information:

- Spending proposal for available funds.
- Supplemental information concerning spending proposal.
- Authorization and contact information.
- Expenditures during previous State Fiscal Year.

PERMISSIBLE EXPENDITURE OF FUNDS

The percentage of funds that must be allocated each year to overtime costs and other expenses is demonstrated by the chart “permissible Expenditure of Funds.”

50% (At a minimum)	No more than 50%
Overtime salaries for a additional DWI Patrols or checkpoint. (Law enforcement officers only.)	Court overtime for law enforcement’ officers as related to N.J.S.A. 39:4-50
	Audio-visual & breath-testing equipment and supplies
	Blood test kits
	Safety equipment needed to conduct DWI checkpoints.
	Other funding (with prior approval from the Director of the Division of Highway Traffic Safety)

BUDGETING RESPONSIBILITY

Each agency or municipality is required to create a separate account for the Drunk Driving Enforcement Fund. In addition, a separate line item within the agency or municipal budget should be created. Agencies and municipalities are urged to contact the Division of Highway Traffic Safety for anticipated funds or to use the amount credited in the previous fiscal year as their projected budget for the upcoming budget year. Any funds that is not expended must be carried forward into the following budget year.

REPORTING AND MONITORING

The applicant agrees to provide the Division of Highway Traffic Safety access to all records, reports, accounts, payrolls and documents relating to the Fund that are necessary to verify that the Funds have been used according to N.J.A.C. 13:86-2.3. Failure to comply may result in denial of future applications.

BOTTLE TAX CALCULATION

Each participating agency or municipality receives 95% or \$95 of every \$100 collected by the courts. In addition, they receive a portion of the bottle tax calculated as follows:

Agency or Municipality Funding Received	
-----	X
Total Funding available to all Agencies & Municipalities	Bottle Tax Funds

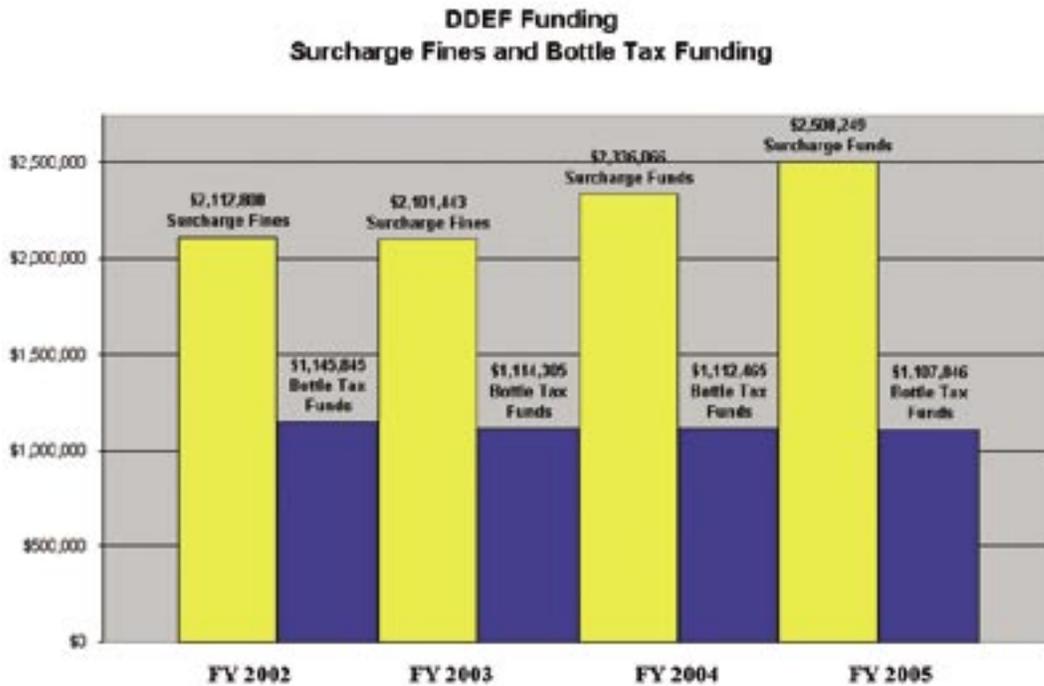

For example, if an agency or municipality is credited with \$95 in surcharge funds, the calculation - based on FY 2005 funds - will be as follows:

\$95	
-----	X
\$2,336,066	\$1,107,046 = \$45.02

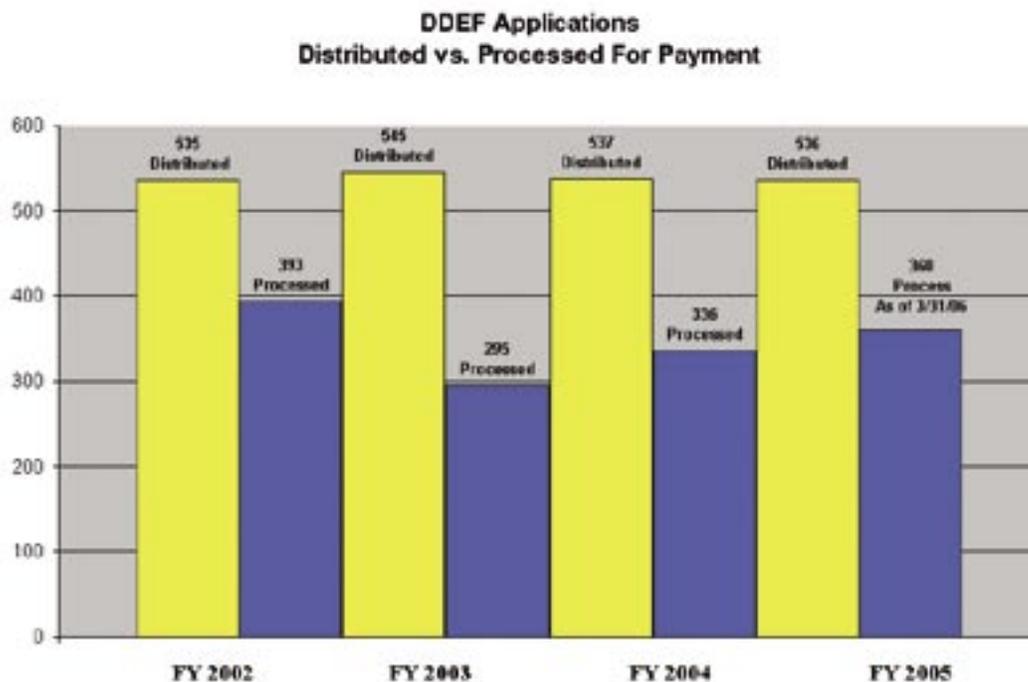

The agency or municipality will receive \$45.02 in bottle tax funds in addition to the \$95.

DDEF FISCAL REPORT

The following chart shows the total surcharge fines and bottle tax funding collected during FY 2002, FY 2003, FY 2004 & FY 2005.

As of March 31, 2006 the DDEF has processed 360 applications. The following chart shows the total applications distributed and received during FY 2002, FY 2003, FY 2004 and FY 2005.
