

New Jersey Motor Vehicle Commission

Decentralized service locations:

Walk-in Service

Customers who may require this type of service are:

- Those in need of general record assistance regarding privilege restoration and pending record actions in order to resolve outstanding actions with the MVC, other states and various courts within New Jersey.
- Those who seek to pay fees required to restore and/or maintain driving/registration privileges within New Jersey, including surcharges, dishonored check fees, alcohol countermeasure program fees, Driver Improvement Program fees, Probationary Driver Program fees, security responsibility, unsatisfied claim and judgment fund payments, temporary registration fee, vehicle replacement plate fee for temp registrations and bus inspection fees, along with restoration fees related to bus inspection program.
- Those who seek to purchase a certified abstract of driving and registration records, certified documents (restoration or other letters issued by MVC) or certified records (title or registration history).

Driver Conference (Scheduled)

Customers who may require this type of scheduled service are:

- Those with a proposed suspension of driving and/or vehicle registration privileges.
- Those who claim to be victims of identity theft, misuse or fraud.
- Those who have various driver management cases in need of a thorough official record review and decision.
- Those who require an identification verification hearing.
