

**E-MAIL MESSAGE TO EMPLOYERS — April 20, 2016**

**TO:** Certifying Officers, State Biweekly Employers

**FROM:** **NJWELL Team** - New Jersey Division of Pensions and Benefits

**SUBJECT:** **Save the Date - 2<sup>nd</sup> Annual NJWELL Mid-Day Move**

The Division of Pensions and Benefits is pleased to announce the 2<sup>nd</sup> Annual NJWELL Mid-Day Move for State employees working in the downtown Trenton area. On Wednesday, June 8\* from 12:00 p.m. to 2:00 p.m., State employees are encouraged to take a "walking lunch" instead of a working lunch. In addition to walking the NJWELL Mid-Day Move route, employees may visit the informational booths for NJWELL, Aetna, and Horizon Blue Cross Blue Shield of New Jersey. Special guests and several other health and wellness exhibitors will be in attendance. Last year's event drew approximately 1,500 employees, and we hope to surpass that total this year!

Keep checking the NJWELL website at: [www.nj.gov/njwell](http://www.nj.gov/njwell) for the latest information on the NJWELL Mid-Day Move.

Please forward the attached flyer [NJWELL-Mid-Day-Move-2016.pdf](#) to your employees and post it throughout your worksites.

\*The rain date for the NJWELL Mid-Day Move is June 9.

**DISTRIBUTION OF THIS LETTER**

Certifying Officers should forward this message to their human resources staff, benefit administrators, and any other staff members responsible for the administration of benefits for employees. If you need to review previous e-messages, they are available on the Division's Web site at: <http://www.state.nj.us/treasury/pensions>. At the home page, go to "Online Services — Employer Pensions and Benefits Information Connection (EPIC)" and then on the EPIC page select "Archive of E-Messages."

Please note: It is important that the Certifying Officer's e-mail address is kept current with the Employer Pensions and Benefits Information Connection (EPIC) to assure the accurate and timely delivery of this information. Update your information using the Employer Demographics application in EPIC.
